

CRITICAL INFORMATION SUMMARY - RESIDENTIAL PHONE SERVICES

INFORMATION ABOUT THE SERVICE

PRODUCT OVERVIEW

FuzeNet Talk voice services offer competitive rates and include untimed local and national, mobile and international calls for residential customers on select plans. You can even port your current phone number to FuzeNet to save any troubles of getting a new phone number.

REQUIREMENTS AND AVAILABILITY

FuzeNet Talk is an "add on" service for use with FuzeNet broadband Internet services. Please visit www.fuzenet.com.au for available FuzeNet broadband Internet service plans.

FuzeNet Talk is **not available** as a standalone product or for use with third party Internet services.

FuzeNet Talk is not for use with soft phones and PABX systems, and is delivered via the telephone port on the FuzeNet router supplied or purchased with your FuzeNet broadband Internet service.

UNLIMITED

FuzeNet Talk service plans may include unlimited calls for certain call types, as indicated below. All FuzeNet services are subject to the FuzeNet Fair Use Policy (available at www.fuzenet.com.au/legal).

CONTRACT TERMS AND TERMINATION FEES

FuzeNet Talk services are available on month-to-month plans, with no minimum contract term. You may cancel your FuzeNet Talk service at any time during the service month (no refund applicable for early cancellation).

Please note, if your associated FuzeNet broadband Internet service is on a fixed term contract, additional early termination charges for the broadband Internet service may apply if you elect to also cancel that service. Please refer to the Critical Information Summary for your FuzeNet broadband Internet service.

INTERNATIONAL CALLS

International countries must be enabled on your account, prior to being accessible on FuzeNet Talk plans. Calls to international countries are otherwise restricted as a default, except for FuzeNet Talk Global plan's unlimited 18 international countries which are pre-enabled. To enable selected international countries on your account, please contact our Customer Service team on **1300 881 917** or Email us support@fuzenet.net.au

CRITICAL INFORMATION SUMMARY - PHONE SERVICES

NUMBER PORTING

Your existing phone number may be ported to FuzeNet by completing and returning the Porting Authority form located at www.fuzenet.com.au. Number porting can take from 7 to 10 business days. You must keep your existing Phone service active until the number port is completed. If you cancel the service before porting takes place then FuzeNet will not be able to port the number. Number porting is subject to the type of phone service you and the network it is currently hosted on and is not possible in all cases.

SERVICES WHICH ARE DEPENDENT ON LANDLINES

Please be aware that services which are dependent on landlines, such as facsimile machines, house alarms and medical alerts, are not suitable for operation via non-DSL services, which includes NBN, FuzeNet broadband or similar services (such as FuzeNet Talk). FuzeNet recommends that you speak with your service provider about your landline dependent services that may not operate with FuzeNet Talk and FuzeNet broadband Internet services.

NON-FUZENET EQUIPMENT

If you use equipment, in conjunction with the FuzeNet broadband Internet service associated with your FuzeNet Talk service, that FuzeNet has not supplied to you or otherwise approved, then FuzeNet may assist you with that equipment but FuzeNet cannot be responsible for the operation of that equipment. FuzeNet has a policy and terms around use of third party equipment with FuzeNet services. Please review our Customer Service Agreement located at www.fuzenet.com.au/legal

DISPUTE RESOLUTION PROCESS

(Full Complaints Handling Policy at fuzenet.com.au/legal)

If you are dissatisfied with the outcome of your customer service/support request and wish to take the matter further, please request that the customer service representative escalate your issue to their Team leader.

If you are still dissatisfied please request to have your issue escalated to the Customer Service Manager and then the General Manager. Alternatively you can email complaints@fuzenet.com.au or phone [1300 881 917](tel:1300881917) and speak to our Customer Service Manager.

TELECOMMUNICATIONS INDUSTRY OMBUDSMAN (TIO)

If you are dissatisfied with the outcome of your complaint after following the above process, you may contact the TIO for the independent mediation. Contact the TIO on [1800 062 058](tel:1800062058) or visit their website (tio.com.au/making-a-complaint)

SERVICE BILLING

FuzeNet issues bills monthly in electronic form and bills you in advance. Your billing date is determined by the service activation date, however you will receive your bill around the same time each month. The due date is clearly printed in the top right hand corner of your invoice and falls between 14-30 days after account issue. If payment is late, a \$5 late fee will apply.

If there are insufficient funds in your nominated bank account, a dishonour fee will apply; cheques incur a charge of \$16.50, Direct Debit rejections incur a \$10 charge (both incl. GST).

If you believe there is a discrepancy with any part of your bill, please provide written notice of this before the due date. We will then investigate and your service will not be disconnected while the bill is in dispute or for 60 days after issue, whichever is shorter. Until your concern is resolved, you may need to pay an amount based on prior usage. If our investigation concludes the unpaid amount was correctly billed, payment will fall due immediately. If you dispute this outcome, the TIO may be of assistance.
